## WEB SPECIAL

### Born to be free?

E-mail came, saw, became a part of our lives...and was then taken for granted. But with pay-for services raising their ugly heads, it's time for some re-evaluation.

## OPINION POLL

Every month, you decide how your magazine evolves for you. Go ahead, let us know your opinion. All it needs is a single click from you.

## BY DEMAND

Now you get to choose what goes on Digit Interactive. Pick a software from the list and we'll put the most popular one on the CD.

## WEB SPECIAL

### Just Jammin'

When it comes to setting your PC afire with music and visuals, these little guys pull no punches. So choose wisely while selecting your media player.
