

tips & tricks

IMAGING: Atul Deshmukh

Leaving explorer behind

We dissect two of the best Web browsers that serve to tame the Internet experience: Opera and Mozilla take up the Web gauntlet and teach Internet Explorer a trick or two. With features galore, we show you how to get the best of the two

41

For Windows and Linux
Opera 7.10 with Java
Mozilla 1.3

For Windows
Plug-ins for both browsers

contents

- 42 Opera
- 45 Mozilla
