

Head to www.thinkdigit.com to check out the online avatar of Digit

1 We first check out the tools and features that the home page provides

Sign-in:
If you are a forum member, you can click here to sign-in
Quick Registration:
Click here to register yourself to the forums
Newsletter Sign-up:
Get the latest technology dose from Digit, click here to subscribe

Cart:
If you have added something to your shopping cart, the item(s) and total will show up here

Popular Stories:
Stories most loved by the Digit community will show up here, as will popular discussions on the Forum

Top Categories:
Want the latest Agent 001 dope? Jump straight to your favourite category by using this bar

Videos:
Check out the latest tech videos from Team Digit and around the world!

Downloads:
Frequently updated with the coolest and latest software

2 Now that you are familiar with the home page, let's take a look at what you will see when you click on a headline. There are plenty of tools to comment, rate and interact available here...

The stamp of approval:
Any article stamped with the 'd' logo means that it is written by Team Digit. If you see a 'u' here, the article has been submitted by a member of the Digit Community

DIGG it, mail it, print it:
Use these tools to navigate stories and to share them with friends and your favourite community

Rate this article:
Like it, hate it — tell us what you think of the article you are reading. The '+' sign will show us your approval, while '-' means you think less of it

Comment:
Don't forget to comment — it's a quick, painless process that let's us know your thoughts on a piece. We love reading comments!
