

This is my old phone

I dropped it off at Nokia

so simple!

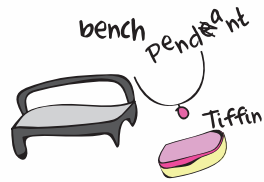

NOKIA
Connecting People

Metal and plastics were taken out from the phone to make useful things

So no extra mining
= no cutting trees

Nokia will also plant a tree for every phone you recycle.

And I helped keep my Earth GREEN

**PHONE RECYCLE
KARO AUR BANO**

we:recycle

For more information SMS <GREEN> to 55555 or
log on to www.planetkerakhaale.com

Drop off your old phones at

*For assistance on Nokia products and services, call Nokia Care.
Add STD code when dialling from a GSM connection.
