

AL670

Media Player Full HD 1080P

Ultra-High Definition

AL670 plays 1920x1080p high resolution video smoothly featuring six times the resolution in details compared with DVD. Even the most finicky watchers will leave no criticism thanks to the perfect image quality, saturated colors and vivid details.

High Fidelity Audio & Multi-format Support

AL670 comes equipped with the DTS digital audio decoding function that can automatically decode the DTS format. Besides, AL670 supports the most file formats, including RMVB/RM for 720p, TS and ISO files for 1080p, AVI and MPG files.
