

◀◀ **Logitech QuickCam Cordless** **Single-horned eye**

The cordless camera from Logitech gives you 22 metres of freedom. It also allows you to send live video to mobile phones using the Logitech Mobile Video service.

Price: USD 179

Pentax DigiBino DB100 ▲▲ **Powerful eyes**

This camera-cum-binoculars set has a magnification factor of 7x. It can record both still images and videos, which it stores on its 16 MB memory card.

Price: USD 242

Sony Cyber-shot U ▶▶ **Tear proof eye**

Put it up to 5 feet under water, and you have a camera that still works in top gear. You can operate it with one hand, because of its vertical design. It has a 2.0 megapixel effective resolution, 1x Optical Zoom and a 1.0 Hybrid LCD Monitor.

Price: USD 249
