To Buy, Or Not To Buy
If only buying electronic toys was as easy as walking into a shop and choosing one. Even if they're available, the prices in India are liable to give you a cardiac infarct. Is there a way around this?

The screenshot shows the Digit magazine website interface. On the left, there's a sidebar with categories like 'CONFLICT', 'RESOLVE', 'SELECT', and 'DIGIT INTERACTIVE'. The main content area features a large article titled 'Icons' with a woman's face on the cover. To the right, there are several smaller articles and advertisements, including one for 'Digit Service & Reliability' and another for 'Unistal Antivirus'.
