KNOW YOUR CD

MINDWARE\CONNECT

The Connect section on your Digit CD brings you some fun reading with Bookmarks and Newsletters.

Bookmarks contain sites on a particular subject, along with a detailed description of the sites. This month, we bring you some sites to keep track of live cricket match scores.

The Newsletters section brings you a collection of newsletters on different topics each every month. This month we have some newsletters that keep you updated on breaking news from the sports front.

So, if some light and interesting reading is what you're looking for, this is one section you'd definitely want to browse.
