110 Are You Game?

Leveraging games and technology to attract consumer eyeballs seems to be the new marketing mantra for just about any new product or brand

94 Making An Impression

Laser printers and MFDs have gotten cheaper, as you might expect. Every time is the best time to buy one. But which one? We've done the tests for you

91 A Lossless Compression

We look at how a system called EchoView helps hospitals efficiently archive and retrieve large-sized medical records such as echocardiograms

112 Should A Company Monitor Employees' E-mails?

An interesting debate. A lot can be said on both sides. What about privacy? What about company secrets being leaked? We ask two people with differing views

August 2005
