

6 You return to your mothership for new orders

7 Then it's back to making scrambled Strogg

8 Some good lighting effects

9 Marine Technicians will help improve your firearms

10 Then you ride in a tank, and kill some spiders on the way

11 Look! Better lighting

12 Spider attacks; spider eats BFG shell and chokes

13 Captured! A laser anally probes me, and, voila, I'm Strogg!

14 Strogg women still hate me

15 I take a tram ride and solve a few puzzles

16 That's a big monster flying; then a big monster dying

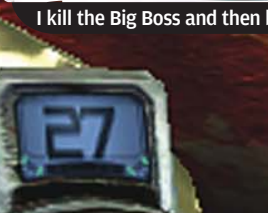

17 Strogg's such a pretty place!

18 I kill the Big Boss and then blow up the controller brain

19 Thank's buddy; Earth is safe

20 Hey... wait... who the hell is going to date me if I look like this?
