Urgent help needed....!!!!!!
I accidentally deleted (:shift:+del) my files from pen drive.. 😊
Please suggest the best software to recover those files....!!!

Tushari Singh date and time? how come?
Like · June 19 at 11:58am via mobile

Praveen D'Souza If you have older dates then it will shown the security issues on domaine certificates. Adjust you dates for the current time date this might work.

What are the advantages of cross fire graphics cards?
I have an HD Radeon 5670 which supports cross-fire.
and wanna upgrade any suggestions?
Budget = 10k at most
