

Infrastructure support that's experienced, not seen.

Cat 6 UTP Solid Cable

Cat 6 UTP Patch Cord

Structured cabling solutions from Schneider Electric are never visible to the eye, hidden as they are beneath the ground or tucked away in pipes. But make no mistake, they work ceaselessly. Schneider Electric's global expertise is customised to deliver in local conditions. On-time deployment, future-proof standards, and hassle-free operation, is what you get. So reliably as to be taken for granted. **Schneider Electric. The invisible power.**
