

Life happens.

Back it up with the
Seagate®
**Backup
Plus**

Powerful and flexible

Works on both PC and Mac®. Easily upgrades to FireWire® or Thunderbolt™ technology via the available adaptor.

Now you can save all your data and priceless memories with best friends, by protecting your entire digital life – in just one click.

One-click backup

Back up in one click or create your own plan via the Seagate Dashboard.

Saves your social networks

Automatically saves online photos, videos and more to your Backup Plus drive.

Seagate range of External Drives

- Seagate Backup Plus
- Seagate Slim
- Seagate Expansion
- Seagate Central
- Seagate Wireless Plus
