CAN
JUGGLE MANY
LIVES

Presenting the revolutionary new Micromax Canvas Turbo. Now multitasking is no longer a task. Powered by the 1.5GHz Quad Core processor and 2GB RAM, the Canvas Turbo makes sure you don't have to wait for things to happen. You can now be at two places at the same time with the Multi Video View and Pop Up Video and Browser. The unique Camerazzi camera lets you capture a complete 360° panorama, create gif animations and erase unwanted objects from your images. Watch, stream, mail, browse and more at the same time, because with the Canvas Turbo you can juggle many lives.
