82 Reality Sucks

...because without technology enhancing it, reality is just mind-numbingly boring!

32

Is the age of robots finally here?

Some of the latest advancements in Robotics are mind boggling. A good time for humanity to re-assess the three laws, we think.

TRIED & TESTED

119 SAMSUNG GALAXY NOTE 4

The king of phablets

120 MOTOROLA MOTO 360

The best looking smartwatch, that you shouldn't buy yet

122 ASUS STRIX GTX 980

Cheaper than the competition and just as good a performer
