

The afterlife

What happens to your body after you die? A mortician herself describes how breakdown gives birth to new life. <http://dgit.in/dthprocess>

The easiest language?

"Esperanto" is an artificial language invented in 1887 and is finally gathering attention. Learn more about it here. <http://dgit.in/esplang>

Head over to **online communities** for some of the best discussions, buying advice and user reviews. Of course, you'll meet like-minded (and not-so-like-minded) geeks and of course, get help when you're stuck.

Deciding on getting an e-ink reader? Have a chat with some of our forum members, they might have a better insight than most reviews on e-commerce product pages.
