

Teams being rewarded with the TapTapay Wearable Payment band

A generous supply of Mountain Dew kept the gamers high on energy to battle it out in the 4 hour-long LAN tournament.

Gamers check out top-end gaming PCs from MSI and ASUS

Gaming action on Gigabyte laptops

Gamers experience a top-of-the line MSI laptop

The winner of the LAN Tournament

gaming and esports at the college level. Our mission is to set up gaming clubs at college campuses in India and help them level up their gaming community.

Presently 16 colleges and 4,000+ gamers are members of SKOAR! College Gaming Club.

The launch of SKOAR! College Gaming Club at K.C. College of Engineering, Mumbai was a huge success! Over 350 gamers participated in the gaming day event, where they got to experience top-of-the-line hardware from leading brands like

MSI, Gigabyte, Tp-Link, and Asus The event was concluded with a LAN tournament, where twelve teams from the college went head-to-head in a fierce competition to become champions. Exciting times ahead for the gaming community at K.C. College of Engineering!
