

FLASHBACK OF SCGC EVENTS IN QUARTER 1 (JANUARY-MARCH)

SCGC conducted 8 successful gaming events across North India in 2023 Quarter 1 (January-March) and also launched Skoar! Gaming Clubs in all those colleges. **2500+ college** gamer students attended the events which is a fantastic turnout! That also makes it clear that there is a lot of interest in gaming among students, and SCGC aims to create a community that offers students an inclusive and enriching opportunity not only to play but also to understand the technology in gaming.

SCGC provides a platform for gaming enthusiasts to come together and connect. Overall, SCGC is making a positive impact in the gaming world and helping to foster a sense of community among gamers. **FLASHBACK of SCGC EVENTS 2023 QUARTER 1.**
