Last Event Details

On 15th and 16th of March 2023, Student Council conducted an event "FIFA 2023 TOURNAMENT" during the TECHFEST (ALGORHYTHM). This event was in collaboration with Skoar!! College Gaming Club (SCGC). It was a

free registration event but with limited seats. FIFA 2023 is a Football video game published by "Electronic Arts" exclusively for PlayStation.

Since, FIFA 2023 is famous among youngsters due to its features and popularity, the event was conducted effectively. The purpose for conducting such an event was to involve players to participate and compete with other players. There was a total participation of 78 students from all the branches every year. The tournament was played on PS5. It was a 1V1 Player tournament with single elimination. There were a total of 5- Preliminary Rounds and 1-Final Round. The time limit for each round was 10 minutes. The event was held in B-Block (B105). The total Prize Pool was of Rs. 2000/- for the winner which was split.

College - Dronacharya

Ambassador - Nikhil Rana

Ambassadors Profile

Ambassador Nikhil Rana, saying, "DGI GameSena and SKOAR has given me the chance to explore the gaming world in a way I never thought possible. It's amazing to see how we can use gaming to bring people together and promote positive change. Through our gaming events, we have been

able to create a sense of community and camaraderie among the members. It's amazing to see how people from different backgrounds and with different interests can come together and bond over their shared love of

gaming. I truly believe that gaming can be a force for good, and I'm grateful for the opportunity to be a part of this club and to help promote that message. My enthusiasm and passion for gaming have inspired many others in the club, and I'm grateful for that".
