Supporting College Gaming Clubs:

One of the cornerstones of SCGC's success lies in its dedicated support for establishing gaming clubs within colleges. SCGC believes that great gaming experiences should know no boundaries, which is why they have mastered the art of hosting both online and offline gaming events. Their online tournaments garnered attention from students across the country, enabling participants to compete from the comfort of their own dorm rooms. Simultaneously, SCGC also organised thrilling offline events, fostering social connections among gamers and creating unforgettable memories.
