

Campus Clash provides a platform for colleges to showcase their best gamers and compete for the coveted title, fostering a spirit of healthy rivalry and sportsmanship. Campus Clash has had a profound impact on college gaming, transforming the way students perceive E-Sports. By promoting friendly competition and community engagement, SCGC has successfully cultivated an atmosphere of mutual respect and sportsmanship

among students, transcending traditional rivalries.

Campus Clash: Valorant Edition has emerged as a beacon of unity and skill in the college gaming arena. With 3 successful tournaments and over 35 college teams battling it out in intense Valorant matches, SCGC has proven its commitment to providing a platform for college students to showcase their passion for gaming. As the Campus Clash legacy continues to grow,

SCGC remains at the forefront of revolutionising college gaming, bringing together students from different backgrounds under the banner of competitive excellence and friendship.

Conclusion:

In just a few short months, SKOAR! College Gaming Club (SCGC) has etched its mark in the annals of college gaming history. Through its innovative events and supportive initiatives, SCGC has solidified its position as a trailblazer in the gaming industry. With the advent of Campus Clash, SCGC has laid the foundation for a united and thriving college gaming ecosystem, where passion, talent, and fun collide in the world of E-Sports. As the SCGC continues to expand its horizons, the future of college gaming looks brighter than ever before. ■

Introducing gameHERs

In a world where gaming has transcended boundaries, it is essential to recognise and celebrate the diverse talent within the gaming community. Introducing GameHer's, a groundbreaking all-girls collegiate gaming tournament series that seeks to empower and elevate college female gamers. With a vision to foster inclusivity, diversity, and recognition for women in gaming, GameHer's emerges as a trailblazing force, inspiring the next generation of female gamers to shine in the world of E-Sports.

GameHer's is more than just a tournament series; it is a celebration of female excellence in gaming. The series showcases the incredible talents and achievements of women in the gaming world, highlighting their contributions to the gaming community

and inspiring others to follow in their footsteps. GameHer's stands tall as a beacon of change, heralding a new era of gender equality in gaming. By providing a platform for female gamers to showcase their skills, fostering a supportive community, and promoting positive role models, GameHer's is driving the transformation of the gaming

landscape. As the series continues to evolve, it solidifies its place as a powerful force that amplifies the voices of female gamers and inspires a brighter and more inclusive future for E-Sports.

SCGC will conduct its first online gameHERs tournament in the month of August followed by an offline LAN tournament in the month of September. To stay updated, stay tuned to SCGC's social media handles.
