

NIIT Tech Fest - siNUsoid V7

The forthcoming siNUsoid V7, promises to be the pinnacle of the siNUsoid series. It seeks to be an exceptional and transformative tech festival of NIIT University, that embodies the convergence of technology, tradition, and charity. With each instalment, siNUsoid has grown in stature and influence, and this year's event is poised to set new benchmarks. This highly-anticipated event will once again serve as a symbol of hope and personal growth, reaffirming its commitment to innovation.

This year, siNUsoid V7 is set to take place from the 3rd to the 5th of November, making it a three-day extravaganza that tech enthusiasts and visionaries alike won't want to miss. Throughout these three days, siNUsoid V7 will be a hub of innovation, education, and inspiration climaxing with an electrifying DJ night.

Leading up to the main event, siNUsoid V7 also boasts a slew of pre-festival activities, out of which, Re:Spawn- the annual gaming competition in collaboration with EXALT- the gaming society of NIIT University stands out. This thrilling competition showcases the best in

gaming prowess, featuring popular titles such as Valorant, Minecraft, BGMI (Battlegrounds Mobile India), and CODM (Call of Duty: Mobile). With a substantial total prize pool of 70,000 Rupees, Re:Spawn attracts the most skilled gamers from within and beyond the university. This remarkable gaming spectacle owes its success to the invaluable support of SKOAR- College Gaming Club, whose continued assistance has been instrumental in elevating the college gaming scene at NIIT University to new heights.

"Press 'Ctrl + Z' on Defeat, Gaming Redemption with Every Respawn!" is the captivating tagline that encapsulates the spirit of Re:Spawn. This annual gaming competition has continuously provided a thriving platform for countless players, enabling them to showcase their skills and experience redemption with every respawn in the virtual gaming world. This year, the competition unfolds from the 29th of September to the 1st of October, with the finals being held on the first day of the main fest, i.e., the 3rd of November, creating a seamless transition from Re:Spawn to the grand spectacle of siNUsoid V7.
