HP announces Pavilion Plus laptops in India

HP has announced a new laptop lineup in India for the youngsters of the country. The brand has dropped the Pavilion Plus laptop lineup in India, which starts from ₹91,999. The lineup includes two models, namely the Pavilion Plus 14 and Pavilion Plus 16. Both variants offer two colour options; Moonlight Blue and Natural Silver in the base model, and Warm Gold and Natural Silver in the Pavilion Plus 16. Let's check out what else these laptops offer.

HP Pavilion Plus 16

The HP Pavilion Plus 16 is equipped with a 16-inch 2.5K WQXGA display. Furthermore, it comes with a 90% screen-to-body ratio and a 16:10 aspect ratio. Next up, it has an IMAX-enhanced display that supports up to 120Hz variable refresh rate. Speaking of performance, the

HP Pavilion Plus 16 is powered by the 13th-Gen Intel Core i7 processor paired with NVIDIA RTX 3050 graphics card. This laptop offers you a 68 Whr battery life. As for the pricing, HP has launched the Pavilion Plus 16 in India at a starting price of ₹1,24,999.

HP Pavilion Plus 14

This laptop features a 14-inch 2.8K OLED display that is IMAX-enhanced. It has an 88% screen-to-body ratio and a 16:10 aspect ratio. In addition to that, the HP Pavilion Plus 14 laptop weighs 1.4 kg and is 17.5 mm thin. The HP Pavilion Plus 14 comes in two variants that offer different processors. You will get the option to choose from the 13-Gen Intel Core i7 processor and an AMD Ryzen7 7840H Processor. Talking about its prices, the HP Pavilion Plus 14 starts at ₹91,999.

Xiaomi 14 appears on Geekbench with Snapdragon 8 Gen 3

For quite some time, there have been rumours about the Xiaomi 14 series. This series is expected to include three models: Xiaomi 14, Xiaomi 14 Pro, and Xiaomi 14 Ultra. Now, the standard Xiaomi 14 smartphone model has been spotted on Geekbench. The other hardware specs of the device are not clear yet.

Oppo Find X7 models appear on Geekbench

Oppo is quite in the news these days. Recently, the brand unveiled the Oppo Find N3 Flip which made a lot of news. Bollywood celebrities Jahnvi Kapoor and Zeenat Aman even endorsed it. The buzz of the phone is still alive and we hear that another Oppo smartwatch is on the way. The smartphone goes by the model number PHZ110. Even though the model number is revealed, we are not aware of the name by which this smartphone will go.
