

Rolling its way into the Hall of Fame

By Manish "Trigger-Happy" Rajesh | feedback@skoar.in

Baldur's Gate 3 is the latest offering from the talented folks at Larian Studios, the same people behind the fantastic Divinity: Original Sin games. Let me preface this review by saying that what Larian has pulled off here is nothing short of remarkable. It's a sprawling epic filled with character, choices, and a world

that invites you to get lost in its depths. With that said, let's dive into the world of Fae-run! (IYKYK)

CHARACTER CREATION AND CUSTOMISATION

We said this in our early access impressions for the game, and we'll say it again. Baldur's Gate 3 has one of the best character creation systems we've seen in a game, period. I would

totally understand if your first hour in Baldur's Gate 3 was spent here.

Like with the Divinity games, you can also choose to play as one of the "origin" characters, all of which come with tailor-made personal stories. While you can experience their stories in your party, there's a different perspective to be had when actually playing yourself. So you already have incentive to replay the game before actually starting
