Whirlpool ACE SUPREME 7 Kg Semi-Automatic Top Loading Washing Machine

The Whirlpool 7.0 Kg ACE SUPREME RYL is a semi-automatic top load washing machine, ideal for small to medium-sized families. It features a 7 kg capacity and a 5-star energy

rating, ensuring efficient performance. The machine includes a powerful 1400 RPM motor for faster drying and cleaner clothes. The durable plastic body and multi-utility tray add to its convenience.

Samsung 6.5 kg Semi-Automatic Washing Machine WT65R2200LL

The Samsung WT65R2200LL is a 6.5 kg semi-automatic top-loading washing machine designed for efficiency and convenience. It features a 5-star energy rating, ensuring low power consumption and cost savings. The Air Turbo Drying System

reduces drying time by extracting more water during the spin cycle. This model includes a Double Storm pulsator for effective cleaning and a Magic Filter to trap lint and debris. Ideal for families of 4-6 members.

Panasonic 6.5 kg Semi-Automatic Top Loading Washing Machine

The Panasonic 6.5 kg semi-automatic top-loading washing machine comes with a powerful 360W motor, ensuring efficient washing of heavy loads like curtains and linens. The machine operates at 1350 RPM, reducing drying time. It includes an Active Foam System for effective stain removal and a large lint filter for cleaner clothes. With a 5-star energy rating, it offers significant energy savings. The model also boasts two wash programs, an Aqua Spin Rinse for water efficiency, and ergonomic air dry holes for faster drying.

Voltas Beko 7 Kg Semi-Automatic Top Loading Washing Machine

The Voltas Beko is a 7 kg semi-automatic top-loading washing machine which is perfect for medium-sized families. It features a powerful pulsator washing method and operates at 1350 RPM, ensuring efficient

cleaning and faster drying. The machine includes a Double Waterfall system for thorough detergent mixing and a cassette filter to trap lint and debris. With a 5-star energy rating, it offers significant energy savings.

Godrej 7 Kg Semi-Automatic Top Load Washing Machine

The Godrej 7 kg semi-automatic top-loading washing machine features a powerful 460W PowerMax wash motor, ensuring thorough cleaning of heavy laundry. The machine operates at 1440 RPM, providing efficient

drying. It includes an Active Soak function for pre-soaking clothes, a Storm Force pulsator for effective dirt removal, and a Spin Shower for better detergent removal. The rust-proof polypropylene body ensures durability.
