

KODAK 65MT5033

PRICE:
₹45,999

Kodak's 65MT5033 QLED TV promises a top-tier home theatre experience with its large 4K display and the ability to showcase over a billion colours. Enhanced by HDR10+ support, this model delivers superb contrast and depth, and its bezel-less Airlim design in black with a robust alloy stand exudes sophistication, making it a statement piece in any living room. This model goes a step further in audio capabilities, offering Dolby Vision, Dolby Atmos, and Dolby Digital Plus for an encompassing surround sound experience. The Kodak 65MT5033 is crafted to transform your entertainment, delivering both form and function in one stylish package.

KODAK 55MT5022

PRICE:
₹30,300

The Kodak 55MT5022 features a stunning QLED 4K display that captures every detail with over a billion colours. This model incorporates HDR10+ support, producing deep contrasts and dynamic visuals. It features a bezel-less Airlim design, which complements its sturdy black alloy stand. Equipped with Dolby Digital Plus for audio, the 55MT5022 offers an immersive sound experience but does not include Dolby Atmos or Dolby Vision. The 55MT5022 is ideal for those who want a great visual experience.

KODAK 75MT
