OPEN SOURCE CREATIVE SUITE

JULY 2015

06

PAGE

Open source creative suite

Take the road less travelled as we tell you about the open source alternatives to the expensive software you've been buying especially when it comes to multimedia editing.

11

PAGE

Raster image editing

Filters, colour correction, and even complex image editing requires full featured expensive software. Or does it?

22

PAGE

Vector graphics editors

Can you really get rid of Illustrator's monopoly in the vector graphics creation space? We'll help you figure out which open source software you can substitute it with, saving you that dent in your pocket.

32

PAGE

Open source video editing

Can free alternatives really do what you need? If so which is the OSS weapon of choice for all your editing needs.

44

PAGE

Open source post production tools

Add dragons, fire, bullets, and explosion to your video for free
