PAGE

A brand new virtual world

What's all the hype about the launch of Oculus Rift? We begin this journey with small detour down memory lane.

15

PAGE

VR for everyone

From Head-Mounted Displays to Haptic Gloves, each groundbreaking VR product has its own story and features. How many are you aware of?

28

PAGE

How VR works + Make your own

What does it take to make your own VR device?

38

PAGE

The Roadblocks to VR

A lot had to be overcome for the virtual to finally seem real, and a lot is yet to be done.
