CONSOLES
MARCH 2017

06

PAGE

Why consoles?

How did the curious machine which helped you stay young even when you grew old come into being? Who were the forerunners? Read on and find out for yourself!

13

PAGE

The chip saga

The consoles we know of today started off as much simpler, chip based systems, be it inbuilt titles or game cartridges.

29

PAGE

The great console wars begin

The events that shaped the console world as we know it

46

PAGE

Generation now

The consoles of today
