

Loosely based on Greek mythology, God of War became one of the most famous PlayStation exclusive titles of all time.

- **Half Life 2** - It was one of the most successful Xbox and PC games and was praised worldwide for its gameplay, AI and animations. It was also named as the Game of the Decade at Spike Video Game awards.
- **Halo** - Halo: Combat Evolved and Halo 2 was developed by Microsoft studios in partnership with Bungie Studios. The games garnered a huge fan following and were very successful on Xbox Live.
- **The Legend of Zelda** - The Legend of Zelda: the Wind Waker released for the GameCube is one of the most highly rated games of all time on Metacritic with an overall rating of 96%. The game and its sequel, The Legend of Zelda: Twilight Princess, both received huge praises for its gameplay and the beautiful and immersive in-game graphics.
- **Virtua Fighter 4** - Launched on PS2 and arcades the Virtua Fighter 4 was a considerable improvement over the existing 3D fighting games and scored 94% on Metacritic setting a new standard in its genre.

## Seventh Generation

The console wars of last generation had cleared out the battlefield pretty much leaving only 3 contestants standing- Sony, Microsoft and Nintendo. The seventh generation was marked with the launch of Xbox 360 in November,
