

THE NEXT GENERATION

The PlayStation, Xbox and Nintendo consoles have really taken a huge leap in the last generation. Here's what's coming up in the next generation.

Consoles redefine the way we play games. Moreover, it will help you to experience powerful gaming possibilities in an interactive manner with effective communication between your handheld device and the equipment you are working with. As soon as a new version of the product (be it Xbox, PlayStation or Nintendo) is released, there will no shortage of rumors about their
