

THE BIG DEBATE: PC V/S CONSOLES

So, is the sleek looking console all that you need for gaming or is there more to the PC than meets the eye?

Many questions have been posed by serious-minded individuals down history on the theme of life - from 'To be or not to be?' to 'Is there life on other planets?' One probably wouldn't say that the question, "Is PC gaming or console better?" ranks among questions of such gravity. Not
