Apple Watch Edition

Apple Watch Edition Series 2 (http://digit.in/app_watched) features a brilliant white ceramic design. Manufactured with durability in mind, the ceramic is four times harder than stainless steel. The Apple Watch Edition is available in White ceramic case with cloud sport band starting at \$1249 for 38mm and \$1299 for 42mm case variants. The cost is higher due to the premium material used for the production of the watch and it inherits all the specs and functions of the Series 2.

Apple Watch Edition really does look premium
