

SAFARI – THE APPLE BROWSING EXPERIENCE

One browser to rule them all? Well, at least in the Apple ecosystem it is.

Safari is Apple's answer to the likes of Internet Explorer, and later, Chrome and Mozilla. A fully-functional web-browser with a knack for JavaScript and HTML5 video, Safari offers the best of Apple's integrated functionality. Read on to find out everything you need to know about this exclusive browser from Apple's stables.
