

CHAPTERS

GOOGLE (PART 2) NOVEMBER 2017

05
PAGE

Google Unplugged

A look at Google's wireless solutions for connectivity

11
PAGE

Play

A.K.A the best umbrella term for all the Google Apps

20
PAGE

Google Drive

Cloud storage wasn't always an essential part of the Google experience, but it has made its way to the summit, becoming inexorably linked to the company as a whole. We explore how that happened.

29
PAGE

Google Photos and Google Plus

From Google's fastest growing product (Google Photos), to the current runt of their litter of services (Google+), let's delve into what new features they offer and what's next?
