

Company Registration

It is absolutely necessary to register your business before venturing into e-commerce field directly. The services pertaining to the registration of companies are provided by Registrar of Companies also called as ROC. Their offices are situated in all major cities across India.

You need to provide a company name, which doesn't violate any trademark or copyright rules. It should not be the same as another company. You should provide photographs, address proof and PAN card of each directors, along with proof of office in the form of ownership papers, lease or rent agreement. Moreover, you should also prepare and submit copies of Memorandum of Association and Articles of Association to enable the officers to understand the nature, work and services offered by your e-commerce company.

Even though registration is not mandatory for e-commerce selling, it is advisable to register if you sell taxable goods to gain trust among your
