

Time for a reality check

Before you take the plunge, go through the pitfalls of starting your own home run ecommerce business.

Have you ever imagined what it would be like to make money while you were snoozing? You are there, lying on your bed, dreaming about whatever it is you're dreaming about these days. In the meanwhile, the cash registers on your online retail store are ringing. You're seeing sales come through day in and day out. The money is good, the sales are growing. Life could not be better.

If this is why you want to step into the online retail space, fantastic! Let's tell you how far away from the truth this is. While starting a new business is relatively easy, running a business - just any business- is anything but. If
