

Pepperfry for furniture shopping

UrbanLadder

Furniture, mattresses and modular kitchens are all the rage here. Another startup by two entrepreneurs, UrbanLadder makes it simpler for you to buy home-appliances at various price points. Businesses can purchase in mass at reduced rates. UrbanLadder also offers interior design packages at discounted prices.

FirstCry

FirstCry is an endeavour by Mahindra, that claims to be Asia's biggest store offering Baby and children items from 2000 plus national, and worldwide brands. FirstCry has separate stores across India and offers business opportunities to separate retailers who might be willing to join up with the franchise.

Jugnoo

Neighbourhood benefits on auto-rides, groceries, food delivery, logistics and area-based hyper-local services. Established in 2014 by a gathering of IITians, Jugnoo currently boasts 10 lakh exchanges each month across over 45 plus urban communities. Here you can book an auto rickshaw,
