

CHAPTERS

KERAS
MAY 2019

06
PAGE

Why Keras?

What makes Keras a good option compared to other deep learning frameworks available out there?

13
PAGE

What is a model?

A brief and simple primer on the basic building blocks in the world of Deep Learning

17
PAGE

Sequential APIs in Detail

Let's take a look at the simplest way to use Keras in your AI model using Sequential APIs

24
PAGE

A factual tour of functional APIs

With the right set of tools and data to work on, functional APIs can pack a powerful punch over others as we'll see
