Getting started

All you need to know before jumping into the code and structure of an AI model

44
PAGE

Data preparation

Data preparation might seem like an insignificant piece of the entire data processing setup but it really isn't

53
PAGE

Training and Validation

Training is the time consuming process through which the machine learns to perform a task

65
PAGE

DIY

Let's build a simple image classifier using Kereas to distinguish between two classes of objects
