

Best MOBA Games

Among the most popular genres of online gaming, let's take a look at some of the best MOBAs on mobile

This year has been a delightful surprise with some fantastic mobile game releases for all the mobile gamers out there. 2019 has seen the big shots in the PC gaming arena try their hand at releasing smartphone versions of their popular PC/PS/Xbox games. Let's look at some of the best MOBA mobile games.

What are MOBAs?

MOBA or Multiplayer Online Battle Arena games fall under the category of strategy video games where you control a particular character in an
