

Best Mobile Games With Local Multiplayer

Here are some local multiplayer games to play with your squad without the need for an internet connection

Carrom Pool

Remember those summer breaks when the whole day was spent playing carrom? Nostalgia hits us again playing this game. Carrom Pool by Miniclip has really caught our eyes. As it is a multiplayer game, you can choose to play with random strangers or invite your friends. It has four different game modes. The first one being Disc Pool which is similar to Carrom, the only
