

is that there are many upgrades, improved types of equipment which are available for the players in the game, which helps make the match more exciting and engaging for the players. The main aim of this game is to provide the best baseball experience on mobile.

### **Hockey hero 2019**

Are you a hockey fan? Do you love playing hockey? Well, if your answer is yes, then you should give Hockey Heroes 2019 for Android and iOS a try. The game is in the style of runner-style arcade games.

The game offers much more than a traditional hockey experience on mobile. The game includes teams from Pro Ice Hockey Leagues, and

you can unlock the teams of your favourite cities. The game tests your ability to dribble the puck through enemy lines to finally score a goal.

As mentioned above, the game is like a runner. You need to see how far you can dribble the puck, and it features different weather conditions, iconic players, various turfs and more. Some other exciting features of the game include the retro music, pixel graphics and exciting sound effects.

### **Mad Skills BMX2**

Mad Skills BMX2 is the sequel to Mad Skills BMX and is supposedly enjoyed by pros just as much as casual gamers.
