

gents, solving puzzles are some of the exciting things to do in this game. You are essentially here to prove that you will not be a victim to the outrageous circumstances thrown at you.

With the addition of multiplayer by using Friend Challenges, which allows head-to-head classroom and arcade style mini-game, you can play it on the go and get notified when it is your turn.

ROWDY WRESTLING

Rowdy Wrestling is a 2D wrestling game inspired by the classic tabletop game, Rock Em' Sock 'Em, but with humor and inside a WWE ring!

There are various levels of difficulty to explore along with several challenges to complete in order to earn gold. This gold can be spent on stronger and better wrestlers who are bent on defeating the opponent! You can fight

Get rowdy with wrestling!

for the title in Solo Career mode or even battle with another wrestler in the Tag Team mode. With funny dropkicks, over head smashes and out-of-the ring suplexes, you will truly enjoy this ridiculous game.

There are moments when the ring fills with pugilists who will start bouncing around, and start throwing chairs and tumbling people all over the ring.

Your objective is to survive this mass brawl and scrap out alive. There are other references as well to the era of American wrestling that will resonate well with WWE and wrestling lovers.
