

A simple gameplay of two arrow buttons to move back and forth, with an attack and jump button makes it relatively easy for new gamers to try out and enjoy a unique wrestling experience.

Rowdy Wrestling is high on chaos and spectacle, and you can play your way up to become the wrestling champion you have always dreamt of.

Super Brawl Universe

Super Brawl Universe is a creation of Nickelodeon and Playsoft Games and has earned more than 216 million downloads.

It is an amazing fun-filled, action-packed game where you can recruit both new and classic characters from Nickelodeon's golden catalog of animated shows. The game is a high test of skills against other teams from across the world with one-on-one fights or intense three-on-three combat.

Throw punches with your favorite Nick toons!

You can assemble your team and enter the Super Brawl tournament and the options include iconic Nick characters like SpongeBob, Invader Zim, Kid Danger, Danny Phantom, Lincoln Loud, Arnold and several others!

Once you pick your character, you can choose from various outfits and costumes to design them. They will then release amazing super moves that are a joy to watch and control.

Battle locations include Krusty Krab, the Avatar Air Temple, etc. with new updates and weekly events. Climb up the rankings, earn exciting rewards and unlock rare characters that will fill you with a sense of nos-
