

that are a joy to watch. Each player in this dynamic gameplay comes with his own moves and combos. All mafia bosses, heroes and fighters take part in this Big Fighting Combat.

Tense counter-attacks and reversals are filled in the game as you embark on new missions, and it comes with three gaming modes:

1. Story Mode: Select a player and fight with warriors and enemies for your survival.
2. Verses Mode: Design your own fighting matches and enter the arena of classical fighting as well as legacy and Kung Fu Fighting.
3. Training Mode: Give you the chance to learn the fighting skills and moves of heroes as you train your character against harmless, inactive opponents.
