

faces of the drivers. Balloons in fluorescent shades strung to the carts conjure up the fabric of a happy state that reminds us of our childhood memories . Such is the magnetism of the game that holds generations together with a thread of passion for the game. We could well imagine a situation when both a father and his son are found to be fighting over possession of the phone in order to play Mario kart Tour.

Asphalt 9: Legends

Unless you actually tried the latest installment of the Asphalt franchise, you probably wouldn't understand why the gaming community across the world has lapped it up. It is not just a mere racing game showcasing high end cars jostling with each other in the quest for the victory. Asphalt 9 Legends is wired to set you amidst the jaw-dropping chase sequences from the Hollywood action blockbusters captured in the streets and alleys of the cosmopolitan cities of global reputation. It doesn't just let you watch the speeding cars as a mute spectator rushing through their ways against the backdrop of the city, it also allows you to be there right behind the wheel taking full control of the car and looking around from the perspective of the driver of the car.

The game is known for its best in class interactive 3D walkthrough which offers a captivating experience of getting immersed in the excite-
