

Dale must find ways to escape the room before his foe, comes after him. He must make use of the articles that are there in the room by following the choices that he made.

Sorcery!

Sorcery is a mobile game for those who love travelling but is definitely not for the faint-hearted!

You will have to slay heartless monsters and outwit them by making use of their weakness.

There are 48 magic spells to uncover. The uncovered artefacts help you during small wars and battles.
