

How to engage the TikTok users

Learn everything you must know about keeping TikTok users engrossed and wanting more

When Polonius says in Hamlet, “Since brevity is the soul of wit, And tediousness its limbs and outward flourishes, I will be brief ...”; Shakespeare wouldn’t have known that his words would be prophetic. Indeed, a lot has been said about the millennials and brevity seems to have been coined for them. Appealing to this “come to the point” facet is TikTok. Hosting short videos within a 15 or 60 seconds for the shorter attention span of the new generation is the USP of TikTok. Add to that, the live streams, lip syncs to audios
