

Making money via TikTok

Now that you know about the basics, growth hacking and analytical tools, let's get into the monetisation process

We all have the perception that TikTok is for entertainment. Well, it is for entertainment, but there is more to it as well. With more than 1.5 billion downloads, it is an enormous market for your content-creating abilities. You cannot share images, posts, or GIFs, and the platform is strictly restricted to short videos.

There is a pertinent question in users' minds, can we make money on TikTok? Well, the short answer is, yes, you can. Though TikTok doesn't
